This mission directive prescribes the mission, organization, and responsibilities of the 510th Civil Engineer Squadron, Headquarters United States Air Force Academy, Colorado.

1. Authority. AFI 38-101, as implemented by DAF/PE 690r letter, 13 October 1994, Organization Actions Affecting Certain United States Air Force Academy Units, and Special Order Number GS-6, Headquarters US Air Force Academy, 21 October 1994.

2. Mission. Provides new and protects existing facilities, protects air, land, and water resources in support of both Headquarters US Air Force Academy and tenants.

3. Organization. The 510th Civil Engineer Squadron is assigned to the Headquarters 10th Civil Engineer Group. The 510th Civil Engineer Squadron is comprised of the Engineering Flight, Environmental Flight, Fire Protection Flight, Housing Flight, and Readiness Flight.

4. Responsibilities. The 510th Civil Engineer Squadron Commander:

- 4.1. Operates a family housing management function for the management of family housing assets, housing assignments, control, utilization, referral, and inspection of family housing units.
- 4.2. Provides engineering and technical design for preparation, coordination, and design of projects, and contract execution.
- 4.3. Provides fire protection management and administration to include planning and engineering, fire fighting operations, fire prevention, fire inspection services, related aircraft fire fighting, and rescue services.
- 4.4. Administers forestry, grounds maintenance, and improvement program; maintains and improves fish and wildlife habitat and outdoor recreation areas.
- 4.5. Develops programs for environmental protection and pollution abatement.

- 4.6. Provides disaster preparedness training and support for all USAFA personnel.
- 4.7. Provides disaster response management and training for all USAFA personnel.
- 4.8. Provides Prime Base Engineer Emergency Forces training and support as required.
- 4.9. Provides nuclear, biological and chemical warfare defense training and support for all USAFA personnel.
- 4.10. Provides Hazmat level I and level II training for the 10th Air Base Wing and support agencies.
- 4.11. The 510th Civil Engineer Squadron commander, or the 10th Civil Engineer Group commander, may impose nonjudicial punishment on enlisted members assigned to the 510th Civil Engineer Squadron.
- 4.12. The 10th Civil Engineer Group provides administrative and orderly room functions for assigned personnel.

5. Relationship to Other Units or Agencies. Direct communication with other US Air Force Academy agencies, Headquarters US Air Force, Secretary of the Air Force, other US Air Force MAJCOMs, and other Department of Defense agencies and activities will normally be coordinated through the 10th Civil Engineer Group. Direct time-critical communications that support mission objectives are authorized and do not require the 10th Civil Engineer Group coordination.

THOMAS G. RACKLEY, Col, USAF
Director of Plans & Programs
